Same as consultation fees.

Standard consultations are 10 minutes. Longer consultation times may be available and they are subject to additional charges.

After Hours Care

Triage nurses are available after hours. If you need assistance during this time, please call **(03) 687 2680**.

Our triage nurses will be able to provide advice or direct you to any other services you may need.

Enrolment

Enrolling is free and voluntary. If you choose not to enrol you can still receive health care services from your chosen GP, general practice or primary health care services provider.

Advantages of enrolling are that your visits to the doctor will be cheaper and you will have direct access to a range of services linked to the PHO.

Triage nurses are available after hours. If you need assistance during this time, please call (03) 687 2680. Our nurses will be able to provide advice or direct you to the other services.

Appointments

Please ring **(03) 687 2680** for an appointment.

Every effort will be made to accommodate your preferred time. However, emergencies will always be given priority.

Our reception staff will attempt to contact you if there are any unforeseen delays or if your GP has been called away.

Longer consultation times may be available. Charges apply.

Payments

Fees are payable at the time of consultation.

We accept cash, eftpos, cheque, visa, mastercard and online payments.

Fees for enrolled and registered patients are subsidised by the Government for various age groups and services listed at the practice.

Please ask our reception staff for more information.

Repeat Prescriptions

We are happy to issue repeat prescriptions.

However, we ask that you give us as much advance notice as possible.

Repeat prescriptions do incur a charge and the doctor may need to see you prior to issuing for clinical and/or legal reasons — especially if you are not seeing your regular GP.

Please ask our reception staff for more information.

Patient Portal

Our practice will be implementing a patient portal in the near future. It will help patients manage their health in a modern and convenient manner.

We'll update you when our patient portal is live and we are taking registrations.

Health Literacy

We're using Facebook to help improve health understanding in our community.

Search 'Dee Street Medical' the next time you're browsing and join our online community. We're constantly sharing useful tips on how to stay healthy.

Personal Information
